

Information for Motor Home and Caravan Guests

Kia Ora! Welcome to Leigh Central!

We hope you enjoy your stay here in this lovely place.

WHO ?

We are happy to provide this short-stay parking space for your Motorhome or Caravan. No camping or ground tents allowed sorry.

WHERE ?

Please park only on the field around the circular end of the driveway where the power and water posts are. Two vehicles share each post.

If you have booked ahead, there will be a sign on your site with your name on it. Please park within the lines, with your nose or tail pointing towards the centre (not sideways). Maximum vehicle length 8.5m including drawbar.

WHAT ?

- We have 14 sites, each with power, water and free Wi-Fi.
- There is a communal Guest Lounge and Kitchen available for your use, located at the end of the Motel block.
- There is a BBQ available outside the kitchen area
- We also have an ablution block with toilets and showers.
- Entry is via security coded doors
- You will receive your code once you have paid for your stay:

More details on the next page...

COST

We have seasonal pricing system which may vary from time to time. Please check our website for up to date availability and pricing.

Prices as from 1 January 2022

Charges below are per night, per site for up to two guests.

Peak Season and Public holiday weekends - \$50

Shoulder Season and weekends - \$40

Low Season and Mid-Week - \$30

Extra Persons (including children 2 years and over) –
50% of the daily rate per person, per night - (e.g. \$25, \$20 or \$15)

The latest time for a new booking for same day stay is 7 p.m.

To be able to access the ablution block, you will need an access code which you will receive via email when you have paid your fee. This can be done by booking ahead online or by phone or contacting us on arrival.

Our preference is for you to book and pay ahead online.

As we are only a small facility, booking ahead will ensure you a spot.

NB: Campers who are found to be using the facilities without having paid for them will be charged.

We have expended a great deal of effort and expense to create this facility, and we would like to be able to keep our fees at an affordable level.

Please do not share your door codes with others who have not paid. Unpaid use of our facilities is theft and will impact our tariffs.

Water

Water is precious. We operate a biological treatment rainwater and septic tank system, in which we have to collect all our own water and dispose of all our wastewater onsite.

Please do conserve water and ensure taps are not left running.

The water at your site is suitable for drinking. Please do not use harsh chemicals or hair dye while onsite.

Wastewater

Should you wish to dispose of your 'grey' waste water (NOT toilet waste) on our site, our plants in the disposal field would be happy to receive it. Please keep off the disposal field unless you are emptying grey water.

Sorry but we do NOT have a dump station onsite for your Black water waste.

Please DO NOT under ANY circumstances, empty your toilet cassette into our toilets!

The strong chemicals will kill the biological Treatment process and jeopardise our treatment facility.

There is a dump station in Warkworth at the Hill Street intersection or at Wellsford if you are coming from the north.

Your Site

We have 14 sites in our park- they are all good sites.

Some are more suitable for large vehicles.

We will do our best to allocate you the best site for your vehicle depending on booking numbers for the day in question.

We do not issue site numbers ahead of time. When you drive in there will be a sign on the site with your name on it.

If you have a particular request, we will do our best to accommodate you depending on the other booking requirements for that day.

Laundry

We have a pay Laundry facility at the end of the ablutions block. Cost is \$10 per day for unlimited use. Entry is via doorcode.

Please contact us to arrange payment and receive the doorcode.

Outdoor Shower

You are welcome to use the outdoor cold 'swimmer's' shower to rinse off salt water and sand. This is located near the gate where you drove in.

Rubbish

Please help to keep our site clean and litter-free. There are two rubbish bins located at the ablution block and more at the driveway entrance.

The **YELLOW lid bin** is for recycling of bottles, plastic containers, clean paper, cardboard & tins.

Place all other rubbish in the bin with the **DARK GREEN lid**.

Thank you.

WiFi

Provided free. Network - 'Leigh Central' Password - 'coastels' .

If reception seems to be poor, you may need to move closer to the ablution block or Guest Lounge area.

Pets

We are happy for your well-behaved pet to join you on holiday here. Please be considerate of other guests, keep dogs on a leash and do not allow pets to roam free and do pick up after them.

Please dispose of any poop in the rubbish bins provided – NOT on our field thank you.

Biodegradable poo bags are available from the pod at the end of the ablution block.

How Long

We are designed as a short-stay venue, ideally 2-3 nights. Chat to us if you would like to discuss staying longer.

Contact

Because we are only a small facility, we don't operate a full-time Reception desk and encourage online bookings and self-check in.

You will receive all the info you will need regarding check in details in an email sent to you two days before your check in date, or immediately after you have booked and paid if your stay is less than 2 days away.

Before you arrive please read the instructions in your email and drive straight in and park on the site with your name on it.

There is no need to come to Reception first.

However, we do live onsite and are happy to help with any queries during working hours.

Phone: +64 9 422 6070, or +64 21 246 0757

Leigh Central is privately owned and we reserve the right to deny access to any vehicle or persons we deem to be unsuitable for our establishment

*If you see any of us working around the site, do come and say
'Hi' – there's always time for a chat.*

Thank you for choosing to stay at Leigh Central!

Alan & Jasmin Macdonald.

History

The grounds you are parking on are part of the property that used to be known as the old Leigh Hotel. The pub closed over a decade ago and in 2016 the rebuilding process began to turn the old buildings and overgrown grounds into a visitor hub for the beautiful Leigh area.

The Hotel wing has become the Leigh Central Coastels – Motel accommodation with a unique Leigh coastal vibe. Five Boatshed Cabins were added in 2019 and a standalone Bach for rent (at the entrance to the Motorhome Park) was added to the pool in 2022.

NB: Guests may be in house during your stay.

Please drive slowly and be mindful of this when you are coming and going as the driveway passes in front.

The Public Bar areas have been developed into an Events and Function Centre with Commercial kitchen.

On occasion there may be a wedding or event held onsite during your stay.

There is a midnight curfew for any event.
